

# Rarity Guide

HODL Hands are made from 6 elements (Stump, Wrist, Palm, Fingers, Skin and Background) with each NFT carrying unique properties at 6 levels of rarity (Common, Uncommon, Rare, Epic, Legendary and Mythical). Our NFT range uses a normal distribution model to create 10,000 unique HODL Hands.

Please note: Skin & Background are not include in this guide as all are set as common properties.
